ABOUT THE BMFA

The Blue Mountain Foundation for the Arts has been the pre-eminent, non-profit arts organization in the Georgian Triangle area for 35 years. Through annual events such as the Juried Photo Show, Juried Art Show, the Studio Tour, and our celebrated Tuesday Nights in the Arts Centre we continue to support and promote the work of hundreds of talented artists who work in a wide range of creative fields. We support fine artists and artisans, musicians, dancers and writers through our community and Arts Centre programmes as well as through monthly gallery shows.

Our beautifully restored Arts Centre is located in downtown Collingwood, an historic town on the southern shore of Georgian Bay. It is available to rent for receptions, conferences, meetings and art and craft related workshops. Please contact administration, admin@bmfa.on.ca

The Blue Mountain Foundation for the Arts is proud of the contribution it makes, not only in support of artists, but also to the vibrancy, well-being and economy of our community as a whole.
