About Murray Clarkson

Murray Clarkson was a well known local artist with a dramatic flair in his own art. Throughout his own career, he strongly supported new and emerging artists by investing in their work and freely and positively commenting on their achievement.

About the Award

The prestigious Murray Clarkson Award has been created by bequest to the Blue Mountain Foundation for the Arts by the late Mr. Clarkson. It is intended to celebrate the accomplishments of an outstanding, local, emerging, visual artist who demonstrated potential for significant contribution to the arts. It is given to an individual who has shown courage and determination in becoming an artist. Murray's wish is that the award would recognize an evolving or emerging artist, not yet professionally established, but who has reached a stage where he/she now possesses a body of work that indicates strength, purpose and commitment. The award is open to artists residing in the south Georgian Bay area, working in any visual arts discipline.

About the BMFA

The Blue Mountain Foundation for the Arts has been the pre-eminent, non-profit organization in the South Georgian Bay area for over 45 years. Through annual volunteer organized events such as Juried Art Shows, the Photo Essay Exhibit and Robert Kemp Arts Award, we continue to support and promote the work of talented artists who work in a wide range of creative fields. We offer art opportunities for all ages throughout our community and in our gallery on Simcoe St.

The Blue Mountain Foundation for the Arts is proud of the contribution it makes to our regional artists and the vibrancy, well-being and economy of our community as a whole.
